Competition Update 1 after 4th event (ESCA 25 – 18 Apr 2010)

Individual Points Competition:

This year's points competition got off to fast and furious start, with many riders on form and heading for better places than last year. As the Wanderers continue their domination of the local cycling scene, Rob the Power Pelham, Nick the Flyer Dwyer and Peter the Meteor Morris, are riding high in the prime positions. The challenge is definitely on, and will depend on the successful completion of the series; including the hill climb in October – all things being equal – I dare say we will see Ian ramping up the pressure in the 50 and 100.
