2010 SPOCO Competition Update

No registration necessary – Open to all first claim members of SCA affiliated clubs

Pete Tadros holds the lead overall, and Dave Shepherd floats to the top of the Vets table

While Pete Tadros has been sitting comfortably in first place with 599 points, last year's Numero Uno, Steve Dennis has equalled his number of qualifying events to end up within four points of the lead, and, of course, it remains to be seen whether or not Pete will actually be including any of the long distance events in his racing schedule this year. Then there's a bit of breathing space between 3rd and 4th place for team mates Dave Shepherd and Tony Reeves with 584 and 566 points, respectively. With 20 events to go there's still plenty of scope for the other serious contenders to make their mark, scoring more than 110 points in each of their race choices, the ones to watch include Mike Coyle, Pete Morris, Nick Dwyer, Rob Pelham and Iain Brogden – so watch this space.

Since the last update the first three short distance events have taken place and we are about to bring the long distance events into the equation with the Crawley Wheelers 41.59 on Sunday 23rd May, and although still in provisional territory, we already have 12 riders on the cusp of completing the total number of events required to be eligible for the competition – Pete Tadros, Steve Dennis, Dave Shepherd, Tony Reeves, Paul Thatcher, Sholto Haggart, Geoff Smith, Tom Glandfield, Nathan Gale, Robin Johnson, Stuart Payne and Peter Moon. However, if you're a bit slow off the mark there's no need to panic as there are plenty of opportunities to make up ground, and if you prefer to take your time, you could even leave it as late as 22nd August and still qualify!

At this stage it might be worth mentioning that amongst the plethora of events Robin Johnson is promoting on Bank Holiday Monday, only the hilly on GS/995 is the SPOCO qualifying event – and there were only 9 finishers last year!

Veteran Individual Competition as at 02 May 2010

Meanwhile, in the vets' competition it's tight at the top with only 1 point separating first, second and third places. Both the prolific event enterers, Dave Shepherd and Geoff Smith have got room for manoeuvre on their short distance scores and Mel Robertson has yet to complete an equal number of events – so surely it's going to be too close to call!
